Mr. Dean Fowler, Project Manager
Colbert Landfill
Spokane County Utilities Department
North 811 Jefferson
Spokane, Washington 99260-0180

Dear Mr. Fowler: *Dean*

Enclosed is the Community Relations Plan for the Remedial Design, Remedial Action, and Operations and Maintenance for the Colbert Landfill.

There are two mistakes that I overlooked both having to do with our program's new name (Toxic Cleanup Program). The first one is located in the Superfund Process Glossary, 2nd page, 3rd item down in the first column. The second place is in Appendix II, the last location for the repositories. Please make a note of those items.

I hope this will be a useful document for you. Please let me know if you have any major concerns with this document. If I do not hear from you I will assume the document meets Spokane County's and your approval.

Thank you for your help on this.

Sincerely,

Teri Fisher
